

Elenco delle Pubblicazioni

- Senczuk G.**, Garcia A., Colangelo P., Annesi F. & Castiglia R. (2014) Morphometric and genetic analysis of island and mainland populations of *Anolis nebulosus* (Squamata: Polychrotidae) from Jalisco (Mexico): an instance of insular gigantism. *Italian Journal of Zoology*. 81:204-214
- Senczuk G.***, Colangelo P., De Simone E., Aloise G. & Castiglia R. (2017). A combination of long term fragmentation and glacial persistence drove the evolutionary history of the Italian wall lizard *Podarcis siculus*. *BMC Evolutionary Biology*. 17(1), 6.
- Avella I., Castiglia R. & **Senczuk G.***(2017). Who are you? The genetic identity of some insular populations of *Hierophis viridiflavus s.l.* from the Tyrrhenian Sea. *Acta Herpetologica* 12(2), 209-214.
- Solano E., Hardersen S., Audisio P., Amorosi V., **Senczuk G.** Antonini G. (2018). Asymmetric hybridization in *Cordulegaster* (Odonata: Cordulogatridae): secondary postglacial contact and the possible role of mechanical constraints. *Ecology and Evolution*,8(19), 9657-9671.
- Senczuk G.***, Colangelo P., Avramo V., Castiglia R., Böhme W. and Corti C. (2018). A study in scarlet: incipient speciation, phenotypic differentiation and conservation implications of the *Podarcis* lizards of the western Pontine islands, Italy. *Biological Journal of the Linnean Society*, 125(1), 50-60.
- Senczuk G.***, Milana V. De Simone E., Tiedemann R. & Castiglia R. (2018). Spotlight on islands: on the origin of an ancient lineage of the Italian wall lizard *Podarcis siculus* in the western Pontine Islands. *Scientific Reports* 8(1), 15111.
- Senczuk G.**, Harris J., Castiglia R., Litsi Mizan V., Colangelo P., Canestrelli D. & Salvi D. (2018). Evolutionary and demographic correlates of Pleistocene coastline changes in the Sicilian wall lizard *Podarcis wagleriana*. *Journal of Biogeography*. DOI: 10.1111/jbi.13479.
- D'Eustacchio D., Centorame M., Fanfani A., **Senczuk G.**, Jiménez-Alemán G., Vasco-Vidal A., Méndez Y., Ehlrich A., Wessjohann L. and Francioso A (2018). Iridoids and volatile pheromones of *Tapinoma darioi* ant: Chemical differences from the sister species *Tapinoma magnum* clinch ecobiological diversity. *Chemoecology*, <https://doi.org/10.1007/s00049-018-00275-9>.
- Senczuk G.***, Castiglia R., Colangelo P., Delaugerre M. and Corti C (2019). The role of island physiography in maintaining genetic diversity in the endemic Tyrrhenian wall lizard (*Podarcis tiliguerta*). *Journal of Zoology*, DOI: 10.1111/JZO.12705, in press.
- Senczuk G.***, Castiglia R., Böhme W. and Corti C (2019). *Podarcis siculus latastei* (Bedriaga, 1879) of the western Pontine islands (Italy) raised to the species rank, and a brief taxonomic overview of *Podarcis* lizards. *Acta Herpetologica*.
- Profico A., Piras P., Buzi C., Del Bove A., Melchionna M., **Senczuk G.**, Varano V., Veneziano V., Raia P., Manzi G. (2019). Seeing the wood through the trees. Combining shape information from different landmark configurations. *Istrix*
